

# FLIP Tech Tools: Legal Process Automation

Wednesday 16 November 2022 – 3.30pm – 5.30pm

## Alex Rosenrauch

### PwC, Senior Manager, NewLaw

Alex is a Senior Manager in Australia's PwC NewLaw team that provides strategic advisory services for the transformation of global corporate legal departments and law firms.

Previously a lawyer, Alex's focus and passion is with Legal Technology where he has 5+ years experience in building, implementing and procuring different Legal Technology solutions both within the APAC region where he currently resides and in the US where he previously worked and lived.

Alex also has a passion for data and is focused on strengthening and transforming how a legal function works by delivering a new agile construct that is data driven and enabled by technology that empowers the team to operate efficiently, effectively and collaboratively.

Alex is also the co-host of an internationally streamed podcast called 'The Legal Ops Podcast' that is about all things legal operations, legal business and legal technology and is an active thought-leader speaking regularly at industry events and conferences.
